

Neighborhood Park Is Coming!

Dear Neighbors:

Between Monday, September 8, 2008 and Friday, September 12, 2008, the vacant land between Meadow, Locust, Nebraska and Warren Avenue will have a newly constructed play area for the children of this neighborhood! The Parks and Conservation Foundation obtained a \$50,000 grant from the State of Illinois through Belvidere Township to purchase new play equipment. This play equipment is designed to be safe for children of all ages. This equipment is delivered by truck and must be constructed on site.

A nationally known group "Kids around the World" will construct the playground.

In order to succeed they also need our help! Volunteer labor and neighborhood effort is required for them to complete the work within the five days. We have made a good start to meet our volunteer requirements as a neighborhood. We need additional help to succeed.

Please join us for a neighborhood meeting at the Park Site above. Meet your neighbors, enjoy a beautiful day and help us to plan and complete this project for our children and our benefit.

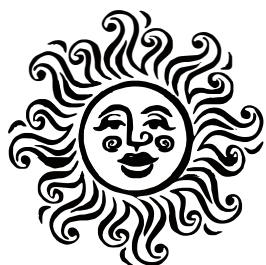

WHEN? MONDAY - JULY 21, 2008 AT 4:30 PM

WHERE? AT THE PARK SITE BETWEEN MEADOW AND LOCUST STREETS, AND NEBRASKA AND WARREN AVENUES.

YOUR SUPPORT IS IMPORTANT FOR THIS NEW PARK TO SUCCEED! PLEASE ATTEND AND WORK WITH US ON THIS EXCITING OPPORTUNITY TO PROVIDE A PLACE IN THE SUN.
